 Roll Width	-	100 cm	120 cm	120 cm
 Roll Length	-	10 lm	10 lm	10 lm
 Abrasion Resistance	UNE EN ISO 12947	> 100000 cycles	> 100000 cycles	> 100000 cycles

All specifications are based on average values and may deviate. The values are for guidance and are not contractual. Subject to technical modifications.

The straight weft is not an inherent condition. Weaving technology features colour effects because of light, making it an exclusive and unique product. Also bicolour yarns create a randomly harmonious effect. These effects are no ground for claims.

ABRASION RESISTANCE

FITNICE® Wall is a textile wall solution with excellent abrasion resistance and great durability. The excellent results obtained with the highest certifications makes FITNICE® Wall one of the most proper solutions for heavy traffic areas, both in public and private spaces.

 Abrasion Resistance: > 100000 cycles
